Subject: Complaint – Failure to Honour Article 21 Right to Object

Dear Information Commissioner's Office,

I am submitting a complaint regarding [Organisation Name].

I exercised my Right to Object under Article 21 UK GDPR. The organisation:

- did not pause processing during assessment
- did not provide a valid justification showing compelling legitimate grounds

I request that the ICO investigate and provide guidance or enforcement as appropriate.

Attached: copies of correspondence.

Yours faithfully,
